MESSAGE FROM THE MANAGING TRUSTEE

*"The woods are lovely, dark and deep,
But I have promises to keep,
And miles to go before I Sleep...."*

Robert Frost

If our country is to develop as a great power, rural development must keep pace with the rest of the country. MCM Trust by its activities attempts to ensure that all men, women and children are healthy & have a reasonably comfortable life with the requisite skills to stand on their own feet and become part of building our nation's future.

It has been a challenging but satisfying journey with our continued efforts in the holistic development of the marginalized and the most vulnerable groups in Himachal Pradesh. MCM Trust has continually been directing its efforts in helping the marginalized families of the society through which the deprived are being benefitted, no matter how tough the path is, the determination to facilitate the beneficiaries to earn a respectable livelihood has been the ultimate objective.

We have been carrying out various programs designed & implemented meticulously, after careful analysis of various socio-economic issues, for ensuring sustainable development of the community. Despite several challenges faced, we continue to provide quality vocational training with the kind support and contribution of our invaluable funding agencies/donors to whom we express our heartfelt gratitude. Also, the support & able guidance of the advisory board & trustee as well as our front soldiers (faculty & staff members) have enabled us to successfully implement our objectives and bring about positive changes in the lives of those marginalized people of the society.

We realize that post pandemic, the changing scenario has not been so conducive for the poor & the marginalized; the poor have tend to become poorer & the rich becoming richer, the divide continues to increase; and under such circumstances our role & responsibilities as a change catalyst has increased manifold. Let us continue to focus our resources in the direction of enhancing sustainable livelihood options of the community & make the world a better place. We have achieved just a few steps of what we have envisioned but still, a lot remains undone. So, let us concentrate our efforts with renewed vigor, zeal, and enthusiasm and walk few more steps with integrity. We cannot rest until we succeed.

Mr. Vivek Mahajan
Managing Trustee
MCM Trust

TRUST PROFILE

The Mehar Chand Mahajan Vidyawati Public Charitable Trust (MCM Trust) was established in 1972, inspired by the ideals of late Chief Justice of India, Dr. Mehr Chand Mahajan who firmly believed in Social Welfare and Charity. The core belief of the Trust emerges from the verse of The Bhagwad Geeta which defines charity as *"Learn to look with an equal eye upon all beings, seeing the one Self in all."*

Since the inception, the Trust has been actively engaged into providing Financial Assistance to the poor widows, for the marriage of girls from weak financial background along with more than 200 cow donations to the poor widows without any income source. We have also been actively organizing various health Camps for Cataract, Women Hygiene, Heart & Eye Screening benefitting more than 2000 people till date. The Trust is presently running two Schools under the title of 'Beti ki Pathshala' for street children with over 100 students enrolled.

We embarked on the Skill Development Program in 2007 with our first centre established in Bhadwar, Kangra for girls belonging to poor families, so that, they can be empowered to earn their livelihoods and become financially independent. Subsequently, more such centres were established in Dharamshala (H.P) & Vrindavan (U.P) benefitting more than 5000 girls. In November 2019, our Trust got the privilege to set up a World Class Skill Training Centre in Dharamshala, Kangra with CII (Confederation of Indian Industries) along with the assistance from various distinguished agencies / organizations such as Rotary Club, Dharamshala 3090; Rotary Club, South Korea; Rotary International; Schneider Electric, SINGER and JCB.

OUR ACTIVITIES

COW DONATION PROGRAM

MCM Trust in collaboration with Lion's Club has been helping the needy and the poor women from the rural areas of Dharamshala by donating milkweed cows to them. With this initiative of ours, they are able to earn a decent living by selling milk and living a dependence-free life. The primary intent of Gau Dan is to perform an act of charity and compassion by providing cows to those who may benefit from them. We all know that cows are highly revered in Hinduism and are seen as symbols of divinity, purity, and prosperity. Donating a cow is believed to bring spiritual merit and good karma to the donor, whereas MCM Trust believes that donating cow not only brings merit to the donor, but also is beneficial to the donee.

EYE CHECK-UP CAMPS

MCM Trust organized free Eye Check-up Camps in collaboration with Vision Springs in the rural areas of various districts of India viz., Kangra, Bangalore, Jaipur, Ludhiana, and Kutch covering more than 60000 beneficiaries which included artisans, students, women as well as senior citizens.

A team of professionals accompanied team MCM in the villages where the Camps were organized and performed the check-ups. Along with the camps, team MCM facilitated in distributing customized spectacles to the eligible beneficiaries who opted for them.

CATARACT SURGERY INITIATIVE

MCM Trust organized Eye Check-up Camps where they identified numerous underprivileged individuals in need of cataract surgery but unable to afford it. To assist these beneficiaries, the trust provided Health Cards such as Ayushman and Himcare, connected them with hospitals capable of performing cataract surgeries, and facilitated the successful completion of their surgeries.

WOMEN EMPOWERMENT

MCM Trust has consistently played a vital role in promoting Women Empowerment through various Social Activities. These initiatives include supporting the marriages of underprivileged girls, conducting Awareness Camps on girls' Health and Hygiene, and offering support such as financial aid, meals, accommodation, and other necessities. Additionally, the Trust gifts a Sewing Machine to each newlywed bride for their future endeavors. Furthermore, the Trust organizes Hygiene Awareness Programs for adolescent girls at various locations such as Schools and Anganwari Centers, among others.

FACILITATION DURING COVID

COVID impacted the lives of humans in every aspect, whether it was social, economical, financial and physical or any other. But the most difficult time was the 'pandemic time' when the need of the medical assistance or the necessity of medical equipments such as Oxygen Cylinders was critical and crucial. People were dying without these things being available in the required quantity. During such time, MCM Trust had come forward and donated over 100 Oxygen Cylinders to Kangra District

Administration
of Himachal

Pradesh as a sense of responsibility towards the community and the society.

SKILL DEVELOPMENT PROGRAMS

Since 2019, MCM Trust has expanded its focus beyond Skill Development Programs with the establishment of our World Class Skill Development Centre in Dharamshala. This initiative has brought forth greater responsibilities as we now offer cutting-edge courses aligned with the evolving demands of

various industries.

Our MCM Skill Centre in Khaniyara became operational in February 2021, and since then, we have successfully trained over 1800 candidates in diverse courses. These training programs are conducted through various agencies affiliated with different Sector Skill Councils, ensuring comprehensive skill development opportunities for our participants.

a) Free Hair Styling Course for 150 women under the aegis of REC Foundation, the CSR wing of Rural Electrification Corporation, Maharashtra. The women who participated in the course were certified in a ceremony and in the presence of many dignitaries which boosted their confidence and led to many self-employability outcomes.

b) 300 students were training in Electrical Technician (150) and Cutting & Tailoring Course (150) under the Kaushal Sambal initiative of M3M Foundation which aims at guiding and mentoring the

youth from underprivileged segments of the society. More than 75 students from the Electrician trade have already been employed with the organized industry through campus interviews held at the centre whereas the remaining have found employment locally in the informal industry. Many of the students trained are

doing are also self-employed today promoting the true spirit of building micro, small and medium enterprises.

c) We are proud to be the pioneering Skill Development Centre in Himachal Pradesh to launch the Smart Energy Meter Technician Course under the Power Finance Corporation Limited, Government of India, successfully training 100 students. Our state-of-the-art infrastructure facilitated the impartation of comprehensive and hands-on training in the latest technology, equipping our students with practical knowledge and preparing them effectively for the future.

d) We have been privileged to work with Himachal Pradesh Kaushal Vikas Nigam (HPKVN) and different Sector Skill Councils such as Instrumentation SSC, Beauty & Wellness SSC and Power SSC as we were one of the Top Skill Centers in Himachal Pradesh who were allotted 240 number for the Cabling Technician Course, 100 number for the SPA Therapy Course, 100 number for the Bridal Fashion and Portfolio Makeup Artist Course and 90 number for the Electrical Vehicle Charging Station Technician, i.e., 630 students for the latest NSQF aligned and industry demand led courses.

e) In addition to these achievements, we have successfully trained over 600 students in various paid courses. These courses, certified by esteemed organizations such as NIIT Foundation, Schneider Foundation, SINGER, and Confederation of Indian Industries, are market-driven and industry-led. They provide students with a platform for seamless placement opportunities and encourage self-employment ventures.

Furthermore, as part of our commitment to empowering women, we distribute free SINGER Sewing Machines to girls completing Stitching and Tailoring Courses. To date, we have distributed more than 41 machines, enabling these young women to pursue their passion and embark on a journey towards self-reliance.

f) A 30-day intensive training program on Bag Making from Used Denim was organized for 50 ladies from rural background in collaboration with the Women Financial Advancement Network and Dzine Life Foundation. This program, designed for women from females of financially poor background focused on transforming fabric waste into beautiful bags and travel accessories.

g) In 2020, the MCM Trust organized a comprehensive skill development training program at the District Jail Dharamshala. This initiative aimed to empower incarcerated women by providing them with valuable vocational skills to enhance their future prospects. As part of the program, the MCM Trust generously donated sewing machines and offered specialized training in stitching and tailoring. This training equipped the participants with the necessary skills to pursue tailoring as a means of livelihood upon their release, thereby facilitating their reintegration into society and promoting financial independence. The initiative was well-received and marked a significant step towards rehabilitation and empowerment for the inmates.

FEW TESTIMONIALS

It has been a wonderful experience for me with MCM Trust where I got the opportunity to complete my Electric Vehicle Charging Station Technician Course, a latest and cutting-edge technology course which is also going to be the future of the Vehicles. I was privileged to get the opportunity to get trained with MCM Trust and I look for a bright future in the industry.

I knew a little bit of stitching and I used to work with my local community. When I got an opportunity to get enrolled into the Basic and Advance Stitching Course offered by MCM trust, I grabbed it without thinking for a second. Today, I am a professional and cater to all kinds of clients. I am also planning to start my own boutique soon where I can even give employment to more people like me. Thanks, MCM Trust.

Beauty and Make-up were always my weakness and passion, but, I had never thought that I can be a professional in the same industry. With the excellent teaching environment at MCM Trust along with the best Lab, I got an opportunity to get myself certified in the Bridal Fashion & Portfolio Artist Course. Today, I stand separate wherever I go, and I am looking for some great opportunities to grow professionally. All thanks to Team MCM.
